## WHY COINSTRUCTIVE?

"Our mission is to provide clients with a trusted partner for their Blockchain Forensics & Investigations needs at affordable prices. The data in our reports can be reliably confirmed by third parties. Our reports also provide legal professionals, arbitrators, judges and jurors a clear understanding of how & when the digital assets moved from one place to another, which goes a long way in proving the outcomes you want."

-CHRIS GROSHONG, PRESIDENT & EXPERT WITNESS

Do your clients need an expert witness for digital assets and cryptocurrency related matters?
